

Parent Involvement

Achievement

Gap

The difference in academic performance between different ethnic groups—U.S. Department of Education

P-16 Council/ Jack O’Connell

State Superintendent of Public Instruction

An assemblage of education, business, and community leaders charged with examining strategies for closing the achievement gap in California with particular attention to socioeconomic and ethnic gaps.

California Action Team for Partnerships

A collaboration of representatives from the California Department of Education, federal, state, and regional projects/organizations, Parent Information and Resource Centers (PIRCs), California State PTA, school districts, community agencies and non-profit organizations.

National Network of Partnership Schools – Action Team -- Action Plan – Evaluation

(NNPS)

The NNPS Framework for Partnerships creates an Action Team that develops an ongoing Action Plan and program of partnership activities which directly support both academic and school climate goals, based on school data and the school’s Single Plan for Student Achievement (SPSA). The NNPS approach offers a cost-effective, adaptable model that facilitates strong and successful partnerships among schools, families, and communities.

Riverside County Action Team

Riverside County Office of Education (RCOE), 23rd District PTA (serving all of Riverside County), administrators, teachers, and parents.

School Districts/ Council PTAs

School districts, council PTAs, and community members

School Sites/Unit PTAs

Individual school site personnel, unit PTAs, and community members.
